

EC-CERTIFICATE OF CONFORMITY

2204-CPD-0287.1

In compliance with Directive 89/106/EEC of the European Communities Council of 21st December 1988 on the approximation of the laws, regulations and administrative provisions of the Member States relating to the construction products, with Ordinance no. 20/18.08.2010 regarding the measures intended for the unitary application of European Union legislation that harmonizes the product commissioning conditions and with Romanian Government Decision 622/2004 with subsequent additions and amendments relating to the conditions to place on the market the construction products and its further amendments, it is confirmed that the construction product:

SAFETY BARRIER

Type: **AG02H2** ((bilateral barrier installed on asphalt))

Characteristic	Performance
Containment level	H2
ASI	1,16 m
Impact severity index	B
THIV	29,10 km/h
PHD	13,95 g
Working width, W	0,80 m
Class of working width	W2
Dynamic deflection, D	0,53 m

Intended use: vehicle restraint system for circulation areas.

Placed on the market and manufactured in the factory by

ALKA Sanayi İnşaat ve Ticaret A.Ş.

Değirmenyolu sok. No:17 C:1 Blok K:3, Kozyatağı - ISTANBUL/TURKEY

Phone: +90 262 67 66 400, fax: +90 262 65 80 993,

is subjected by the manufacturer to a factory production control and to further testing on samples taken from factory in accordance with a prescribed test plan and the notified body CSI SpA-NB no. 0497 has performed the initial type-test of the relevant characteristics of the product and the notified body ICECON CERT-NB no. 2204 has performed the initial inspection of factory and factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all the provisions concerning the conformity assessment and the performances described in Annex ZA of the standard

EN 1317-5:2007+A1:2008

have been applied and the product fulfils all the prescribed requirements.

This certificate has been firstly issued at 30th September 2011, prolonged at 25th May 2012, and remains valid as long as the conditions laid down in the harmonized reference standard or the manufacturing conditions in the factory or the factory production control itself are not significantly modified.

This certificate is issued subject to terms and conditions and maintained and held in force through regular surveillance activity.
